

Decò Lamp

by Federica Biasi

pendant lamp

description	material - finishing	size	sizes are in centimeters
— Decò lamp summarises in a gesture the essence of the Mingardo production: slender, refined and minimal. A small asymmetrical geometry shape defines the structural perimeter. An explicit tribute to Gino Sarfatti, in a graphic and art decò reproduction. Decò lamp is a pendant, diffused light dual sphere lamp. The diffusers are made of opaline blown glass.	^A Matte and polished copper frame *   ^B Matte and polished brass frame *   ^C Varnished black iron frame RAL 9005  	L72,5 W30 H25	 

Category Furniture Collection
Gross weight 10 kg
Packaging size 82,5 x 40 x h 35 cm

Lighting Technical specification
 Predisposition for E27 light bulb

* with transparent protective paint
