CATALOGUE 2021

Edizione Limitata is a brand that combines formal research with the expertise of Italian craftsmen in order to design objects adding value to the context in which they are placed. These products will transmit distinctly the choices of the designer but also the customer ones.

**On request, most of our products can be customized through the choice of other materials and sizes.
The customer will be assisted in personalizing the products by the Edizione Limitata's team of designers.**

Materials samples are available on demand.

edizione
limitata

**The open edition pieces are also marked and numbered progressively.
Each product of Edizione Limitata is unique.**

**Small variations in finishing and colors
— as well as the ones between pieces — are innate and natural.
They clearly show the origin of raw materials and the craftsmanship of the process.**
