PLANET BAR

Planet bar is an upholstered high chair inspired by the distinctive silhouette of planet Saturn.

The bar version of the original Planet chair offers a comfortable and practical solution to seat at the bar while keeping the same distinctive style.

THE DESIGNER

Jean-Baptiste Souletie is the cofounder and art director of La Chance since 2012.

Jean-Baptiste was a design geek from a young age: "On my bed side table when I was 15, you could find books on Ruhlmann or Eames and I spent my Saturdays in Saint-Germain district furniture or at the flea markets." 10 years after, the passion was still intact when Jean-Baptiste decided to leave the investment fund he was working for and revert to his first love.
