Capri Lounge Swivel

The clever design of the Capri lounge chair combines aesthetics with a very high seating comfort. The line of the back continues into an armrest on both sides. The seat is very wide and offers the possibility of changing seating positions, which is ideal for lounging and for long stays in the chair. Furthermore, the design of the chair enables a great variety of combinations in terms of colours and materials. The inside and outside can be individually upholstered in different fabrics, leather qualities and colours. The base in brushed aluminum with return swivel makes it a durable and flexible choice for all kinds of public spaces and break out areas.
