Mare

René Holten | Design 2003

Timeless, understated with clean lines

With its clean lines and subtle details, the Mare sofa programme is timeless. Typical of René Holten's design is the slit in the centre of the seat and the slender base, which runs from back to front. This gives the sofa a spacious and elegant appearance, particularly in an open space.

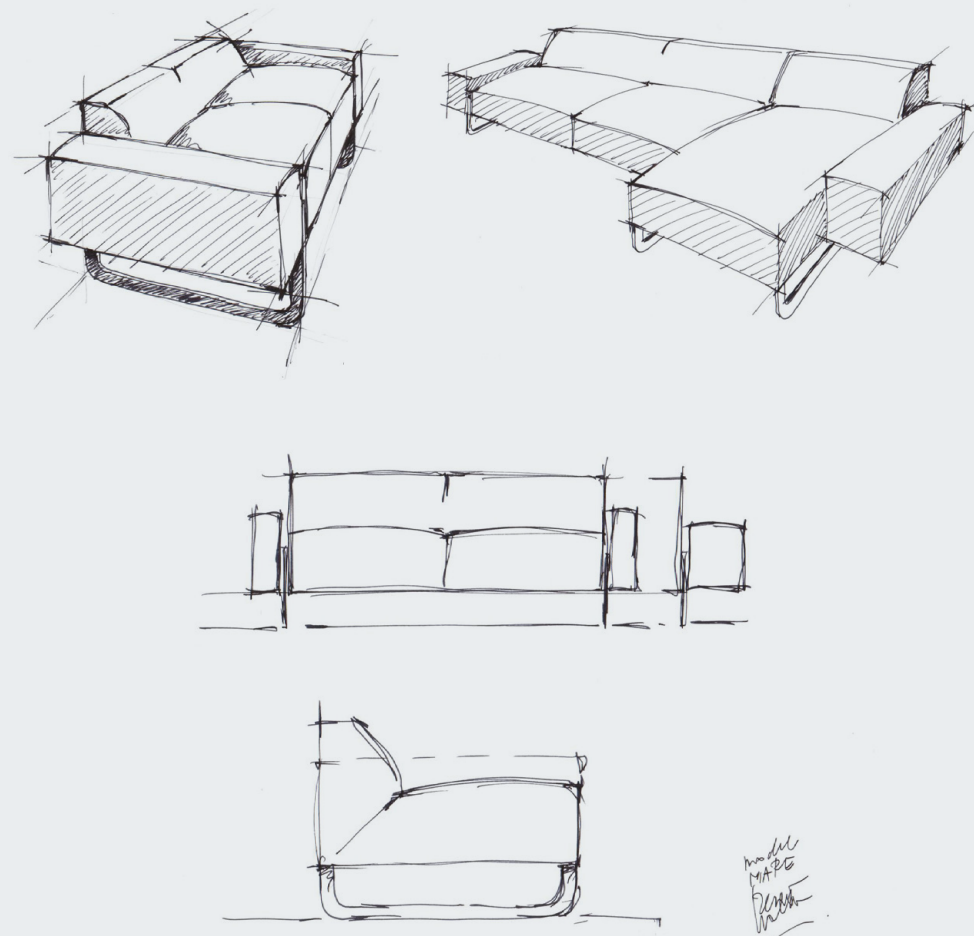

Thanks to its wide range of versatile elements, the Mare is a much loved sofa. Opt for a compact, straight sofa or a large lounge ensemble ideally suited to both modern and classic interiors. However, the underlying goal of each Mare remains the same: to provide the ultimate in comfort.

At the design studio of René Holten

Dutch designer René Holten (1961) lives and works in Maastricht. He founded his own design studio in 1997 and has with Artifort since 1993. Since then he has made an essential contribution to the ever-growing Artifort collection, with award-winning designs such as the DoDo, Libel and Low Lotus armchairs.

'For me, a sofa is a reflection of the residents and users of an interior. The size of the sofa alone makes its shape, material and colour a defining factor in a room. The Mare sofa was conceived with this in mind and has been expanded with the addition of new elements over the years. The Mare adapts to the needs at hand with a timeless design that offers a functional blend of warm and soft, striking, comfortable, luxurious, durable, modern and personal.'

Straight sofa or lounge seating

The range of elements in this programme, means that you can create a Mare ensemble to meet a variety of needs. The elements include a lounge section, corner elements and a large foot stool. All configurations can be upholstered in leather or fabric in a wide variety of colours, so you can create a sofa that perfectly suits your interior and reflects your personal style.

Mare has a fixed seat cushion with a slit in the centre of the seat. Opt for fixed upholstery for the back cushions or loose back cushions.

Personalisation options

In addition to the various elements, the programme offers additional options for completely personalising the Mare.

Seat height	Standard seat height 43 cm. Optionally available with a seat height of 45 cm.
Armrest	Standard width 12 cm. Optionally available with an arm width of 21 cm.
Sled base	Comes with standard coating in one of Artifort's powder coat colours. Optionally available in polished stainless steel. The base comes standard with felt floor caps.
Back cushions	Fixed upholstery or loose back cushions. Mare loose cushion has a deeper seat.
Padding for loose cushion	Supplied with a soft comfort back cushion as standard. Optionally available with a firmer filling.
Upholstery with deep-padded buttons	Mare loose cushion is optionally available in upholstery with deep-padded buttons. Opt for round buttons in the same fabric as the sofa, or rectangular buttons in stainless steel or wood (natural or dark oiled).

The wide range of available finishes are artisanal touches that showcase the craftsmanship inherent in the Mare collection

Upholstery & coating

Each Mare is available in many high-quality leather and fabric coverings with a wide range of colours. Combine your favourite upholstery with a matching Artifort powder coat colour for the sled base. All Artifort furniture is produced entirely in-house, using environmentally friendly methods. During the powder coating process, a colour-fast coating is applied to the base. The environmentally conscious powder coating method is more sustainable than traditional steel chroming and gives the sofa a modern look.

Gain inspiration from the combinations displayed in the mood board, ask your Artifort sales advisor for assistance, or visit [artifort.com](https://www.artifort.com) to explore even more possibilities.
