# **Counter Height Nest**

The Counter Height Nest Sofa is the middle ground between the Low and High Nest series. A soft, inviting and comfortable upholstered sofa, perfectly suitable for counters, kitchen tables and lounge settings. Counter Height Nest boldly challenges the conventions of the traditional high seating and offers the opportunity to work, meet, or eat comfortably, while still having an overview over the premises. Like the rest of the Nest series, the Counter Height is available as a sofa, chair and round or long table.
