## ICONIC

Iconic is a mirror that proudly stands as a statue. The white or black marble base pedestal supports a thin metal structure.

The mirror seems to float above the base while an horizontal metal cylinder intersects both parts.

This oversized, free standing mirror has a strong architectural presence.

---

## THE DESIGNERS

Dan Yeffet is Israeli, Lucie Koldova is from the Czech Republic. They met whilst collaborating with designer Arik Levi and began to work together in 2010. Since then, their creations have been shown in various galleries in Paris, New York, and Prague.
