

SPHERE VASE BUBL MINI

The Sphere collection celebrates unique silhouettes and textures that makes an impact with the decorative charm of sculptural art. Elegantly sculpted, each vase is finished in intricate ornate detailing. Inspired by ancient Chinese vases, a palette of faded earth tones became the series characteristic appearance. Sphere is also the first ceramic design we developed and quickly it became our signature. The vases are developed in close collaboration with highly skilled ceramist, ensuring the precise contrast between the smooth shapes and sharp edges. This season we added a new bubble surface texture to the collection, adding a tactile and refined expression to the series.
