

KABIN VASE FAT

Kabin is a series of handmade ceramic vases that is inspired from Japanese craftsmanship.

The series of large table vases was created to offer the same stability and complexity as the classical Japanese tea bowls without changing the simplicity iconic to Japanese design.

Combining inspiration from the classical Japanese simple shapes whilst intertwining them with a minimalistic Scandinavian approach giving them new life the Kabin series emerged, Kabin is a series of handmade ceramic vases in three sizes.

Hand glazed natural product therefore the colours may variate.
