Tavolini che si distinguono per la peculiare forma del piano: un osso di seppia che si assottiglia, affusolandosi, e sembra quasi sospeso nel vuoto grazie alla snellezza della struttura.

These low tables stand out for the peculiar shape of the tops: a thin cattlebone, which tapering, seems to be almost suspended thanks to the lightness of the frame.

Un prezioso gioco di equilibri e di rimandi geometrici determina il look di questi tavoli bassi: due dischi - uno definisce il piano, l'altro la base - sono collegati da una leggera struttura composta da due rette in metallo verniciato ottone bronzato o nero opaco. Il basamento è in marmo, i piani in legno laccato, specchio bronzato o marmo.

A precious play of balances and geometrical recalls determines the look of these low tables: two disks - one defines the top, the other one the base - are connected by a light frame composed by two straight lines in varnished metal color bronzed brass or matt black. The base is in marble, tops in lacquered wood, bronzed mirror or marble.
