DROP CHANDELIER BULP MINI

The Drop chandelier bulb collection is inspired by Danish Modernism and the 1950s iconic and experimental approach to lighting design. With circular opal glass lampshades and 14 adjustable arms, the chandelier embraces flexible and functional lighting.

The lamps detailed suspension is inspired by industrial and maritime references, and beautifully crafted in plated metal subsequent hand brushed.

The chandelier elegantly brightens the room with a warm light and becomes a sculptural object in the ceiling. The adjustable arms create countless variations, which can be customized to any interior scheme.
